Hi, Reed, Mark, and Brandon:

Also, we received your correspondence regarding the subpoenas to Google and Apple. We would like to work cooperatively with you to address your concerns, but those expressed in the letter are vague enough that we would like to follow up with a conference.

Tomorrow Sam will be in the same room as some or all of you, and you can address those issues at that time. If you would prefer to speak on the phone today instead, please let us know.
